

Chain Golf Club

FOUNDING PARTNERS WANTED

PARTNER WITH THE BOYS.

A crew of buddies rating golf courses on the four things that matter: Course, Views & Vibe, 19th Hole, and Beers. Real rounds, real beers, honest takes. Your brand could be riding in the cart.

WHY US

BEER IS A CATEGORY
We score the beers at every course. Always a 10. Yours could be the reason.

BUCKET LIST GOLF

IT LOOKS LIKE REAL LIFE
Product shows up where it gets used: the cart, the tee box, the cooler, the 19th hole.

GROUND FLOOR
New and growing every week. Founding partners lock their category at founding partner rates.
